BEDFORD

Male Enhancement

PRODUCT COMPOSITION:

Each tablet contains

Tribulus Terrestris ext USP	400mg
Ginseng extract (Ph.Eur)	150mg
Selenium USP	33 mcg
Vitamin E USP	20IU
Zinc USP	5mg

DIRECTIONS:

Adults: Take 2 tablets daily after meals or as advised by the physician.

Tribulus Terrestris:

One of these botanicals is Tribulus Terrestris, which is purported to have a variety of health benefits, including reduced blood sugar and cholesterol, altered hormone levels and increased sexual function and libido.

Ginseng:

- Potent antioxidant that may reduce inflammation
- May benefit brain function
- Could improve erectile dysfunction
- May boost the immune system
- May fight tiredness and increase energy levels
- Could lower blood sugar

Selenium:

Selenium is a powerful antioxidant that fights oxidative stress and helps defend your body from chronic conditions:

- Acts as a powerful antioxidant
- May protect against heart disease
- Helps prevent mental decline
- Is important for thyroid health
- Boosts your immune system
- May help reduce asthma symptoms
- Best dietary sources of selenium

VITAMIN E:

Though Vitamin E is often thought of as a single compound, it's actually a group of eight fat-soluble compounds with powerful antioxidant effects.

Zinc:

Zinc is a mineral that is essential for many of the body's normal functions and systems, including the immune system, wound healing, blood clotting, thyroid function, and the senses of taste and smell. Zinc also supports normal growth and development during pregnancy, childhood and adolescence.
